Conditional:

Driving To Work

```
                          ┌──────────┐
                          │   Home   │
                          └────┬─────┘
                               │
                          ◇ Do I already
                            have coffee? ◇
                   No  ╱                ╲  Yes
              ┌──────────────┐      ┌──────────────┐
              │ Drive to     │      │ Drive to Work│
              │ Starbucks    │      │              │
              └──────┬───────┘      └──────┬───────┘
                     │                     │
              ◇ Hot Or Iced ◇       ◇ Is the traffic ◇
                  Coffee               backed up?
                     │                     │
              ┌──────────┐           No ╱     ╲ Yes
              │ Pay with │
              │ Phone    │
              └──────────┘
```

Home → Do I already have coffee?

Do I already have coffee?
- No → Drive to Starbucks
- Yes → Drive to Work

Drive to Starbucks → Hot Or Iced Coffee → Pay with Phone → Is the traffic backed up?

Is the traffic backed up?
- No → Choose Lot
- Yes → Take Alternate Route → Choose Lot

Choose Lot
- → Park in Lot 2
- → Park in Lot 1

Park in Lot 1 → Arrive At Work
Park in Lot 2 → Arrive At Work

For the record….I did this one before the Go To session, and I felt it was a good one not copying yours.

SEQUENTIAL:

Grab a ball

↓

Look at where you are throwing the ball.

↓

Take your throwing stance

↓

Release the ball
